"wait...Ruby, is that you?" Raphael said breathless.

"yep" ruby said. She let go of Raphael She sat next to me as We both watched yang and Cadeyrn fight relentlessly. "Hey who was that guy who kept getting sick on the airship?" Raphael said to Ruby. "oh that's Jaune he's a bit weird but he's cool." Ruby said. Just then the sun started to set. "guys that's enough for today don't you think?" Ruby said.

"you're probably right Ruby." Yang said. "come on Cadeyrn let's get to the ballroom." Raphael said. "alright, I'm coming" Cadeyrn said frustrated. And they all left for the ballroom.

The next day they all met on top of beacon cliff. professor Ozpin greeted us students on top of the hill. he made us stand on the these platforms with the school's symbols. Then Ozpin started to talk.

"For years you have trained to become warriors, and today your abilities will be evaluated, in the Emerald Forest." Ozpin said.

"Do not hesitate to destroy everything in your path... or you will die." Ozpin said

"Finally I can destroy things without having to pay for it" Cadeyrn said he was wearing his bartender outfit but he was wearing a big dark red cape which was covered his giant sword.

"just what you needed Cadeyrn a nice very enthusiastic walk through the forest." Raphael said.

"that'll keep you from destroying the school out of rage for a couple of weeks."

"I hear rumor about teams this is true the first person that you make eye contact will be your partner for the next four years"

"at the east side of the forest there is a ruin with twelve relics your team must retrieve a relic and make back here"

"any questions...no good" The first kid was launched from the platform. Jaune was talking to Ozpin obviously worried about falling to his death. A few other kids were Just sent flying.

Just then Jaune was launched in the air by the platform. "well see you all in the forest." yang yelled to us. before she was sent flying. Raphael Sighs .

"Some people have no sense in flying techniques." he said.

"I guess..." Cadeyrn said

"I hope to be on yours or yang's team" Ruby said. Just then Ruby was launched in the air.

"follow my cloud trail alright?" Raphael said. Cadeyrn Nods. Raphael was launched in the air. He folds out his swords like a plane's wings he starts to make a trail made out of smoke/clouds. "he looks more or less like an airplane." Cadeyrn said to himself. A few seconds later he was thrown off the cliff and flying after Raphael. Cadeyrn was flying through the air like a bullet he saw some trees coming at him Great I have to dodge trees Cadeyrn thought then he remembered Ozpin's words. "Don't hesitate to Destroy everything in your path... or you will die" he lifted up his leg and slammed it down on the tree smashing it in two. "hell yeah!!!" Cadeyrn shouted kicking and Punching every tree with his feet and fists not paying attention to Raphael's trail I should probably land. he thought. Cadeyrn put his legs up he smashed into a tree. the tree snapped Cadeyrn rode the tree to the ground. he jumped before it landed. he stuck his hands in his pockets walking slowly. he looked up but he didn't see Raphael's trail. Man I should have watched Raph's trail...damn." Cadeyrn said. he heard the growling of Beowulf's and the clanging of a blade of some sort. he continued to walk to the outskirts of a huge opening he watched a girl with bright pink hair and a large spear like blade she was wearing a white dress with pieces of armor on it. She was fighting extremely militarized with her back turned to him. Cadeyrn saw a Beowulf sneak up behind her. Cadeyrn leaped out of the bushes catching the beowulf by the back of it's neck. "you should really watch your back" Cadeyrn said. At first the girl did not turn around then she spun around cutting the beowulf's head off "hey you could've taken my head off" Cadeyrn yelled she didn't say anything she just finished off the rest of the beowulfs "There are you done" he said she turned around she had red eyes. "you didn't have to help me back there" she said "that beowulf was right behind you if I had not stopped it, it would have killed you" Cadeyrn said. she just Scoffed and walked off "wait up you're my partner" he said "Cadeyrn!!!" Raph shouted. "Stupid he didn't follow my trail" Raphael said he walked East. maybe he's at the ruins already Raphael thought. "Look out" a voice rang in the forest.
